

Mukesh Mundra
Chief Financial Officer
Viacom 18 Media Pvt Limited

A Chartered Accountant and Certified Financial Analyst by qualification, Mukesh is responsible for managing entire finance function including business finance, financial planning & analysis, statutory and management reporting, revenue assurance, cost assurance, credit & collection and tax.

Mukesh started his career with Anand Rathi group where he was part of the investments team. After spending close to two years there, he joined the Corporate Finance Division of Grasim Industries Limited, where he got hands on experience in some of the core areas of finance viz. banking, investor relations and financial reporting.

After having completed 5 years at Grasim, he next moved to Idea Cellular Limited just around the time when it was going public. At Idea Cellular, he played an integral role in its growth journey of becoming the number three telecom player in the country. He was part of the demerger of tower business, the acquisition of Spice Communications Limited and the formation of Indus Towers Limited JV. In his last role, he was heading the finance function for UP (East) circle.

Having worked across sectors, Mukesh brings business focused micro insight as well as a bird's eye view of the big picture so as to support the organisation in its growth journey along with keeping pace with the evolving challenges.

Mukesh is an avid traveller and loves exploring offbeat places. When not on the road or crunching financial data, Mukesh unwinds by brushing up his culinary skills.
